Welcome aboard First Western National

Welcome to the Summer 2000 edition of our new timetable guide for the South Devon area. In this book you will find information about our services, tickets and discount schemes on our comprehensive network of local bus services, together with details of all other local bus services in the South Hams area. We now have the most extensive local bus network for many years, thanks to new Government funds for rural transport allocated through Devon County Council. Many of our bus services link with other transport services such as National Express coaches, trains, ferries and airports and in many cases joint tickets are available. See the "Boats, Trains and Planes . . . by Bus" section for more details and ideas.

Enjoy travelling with First Western National!

If you need any further information our dedicated and trained telephone enquiry personnel are available Mondays to Saturdays, 0800 to 1830 and from 0900 to 1830 on Sundays:

Finding your Service

If you do not know the service number of the bus to your destination, look in the "Alphabetical index of places served". This will tell you the service numbers that run to or from your destination.

You can then check the route of these services in the numerical "Index of Services".

For bus times and a comprehensive stop listing for a service, please check the main timetables, which are listed in numerical order. Express services (starting with an X) are listed at the beginning of the booklet.

Using the Timetables

To use the timetable, select the block for the service, direction and day of the week you are travelling. Look down the left hand column of the timing points and choose the place nearest your starting point. Then trace your finger across the page until you find the time which most suits you.

You should then check this vertical column for any coded symbols. The explanation of any symbol is given under the heading "Service Codes". The service number may also be shown if there is more than one service on the timetable.

Then, read down the same column to find the arrival time at your destination. Note that if there is no time against any place this means that the bus does not serve that point.

HINTS ON HOW TO USE THIS TIMETABLE BOOKLET

How to get the best from FIRST Western National

HOW DO I CATCH MY BUS?

You can catch our buses at any bus stop or bus station. When you see the bus coming towards you, put your hand out and give the driver as much warning as possible. It is best to arrive at the stop five minutes before the bus is due to allow time to board.

HOW DO I PAY MY FARE?

Please pay your fare, in cash, to the bus driver when you get on the bus. It is helpful if you can give the right fare, particularly early in the morning. If you have a pass, please show that to the driver, before asking for your fare. Cheques are by arrangement only.

WHAT DO I DO WHEN I WANT TO GET OFF?

Ring the bell in good time in order to let our driver know that you want to get off. If you are not sure where to get off, please ask the driver to let you know where you are getting on.

WHAT IS HAIL AND RIDE?

In rural areas, where there are no formal bus stops, our buses will stop to pick you up or drop you off anywhere on the route provided that it is safe to do so.

CAN I GET CHEAP TRAVEL IF I AM YOUNG?

Up to two children under 5 may travel free on our buses, if they are accompanied by an adult. Discounted "Child fares" are available to children between 5 and 15. We regret that child fares are not available to unaccompanied fares after 21:30.

If a child is or appears to be 16 years of age, then the adult fare is charged.

CAN I GET CHEAP TRAVEL IF I AM A SENIOR CITIZEN?

If you are over 60, you can buy a First Western National Senior Citizens Buscard which will give you half-priced singles and day returns after 08:45 on Mondays to Fridays and all day at weekends.

The Senior Citizens Buscard costs £10.80 for 3 months and £38.60 for 12 months and you can use it on all First Western National buses. Buscards are available from our Travelshops or agents; please bring a passport photo and proof of age when you buy your first buscard.

DO BUSES RUN ON PUBLIC HOLIDAYS?

Normally we operate Sunday services on Bank Holidays, although special arrangements apply at Christmas Day and Easter and no buses run on locally for details. Bank Holidays:

Monday 28th May - Spring Bank Holiday

Monday 28th August - Summer Bank Holiday

WHAT HAPPENS IF I LEAVE SOMETHING BEHIND ON THE BUS?

Any lost property is normally returned to the depot from which the bus is operating. Please ring our Customer Helpline and we will try to recover it for you. We normally make a small administration charge for its return.

MAVY! TAKE MY DOG WITH ME?

Dogs are allowed on our buses at the discretion of the driver; dogs must be kept on a lead and are not allowed on seats. Dogs are charged at 50p per dog, or 25p if you have a Senior Citizen's Buscard or County Council Travelcard. There is no charge for guide dogs or hearing dogs.

WHY NOT WANT TO TAKE A LARGE PARTY SOMEWHERE BY BUS?

For a scheduled service, please ring us and let us know so we can ensure that there is sufficient accommodation on the bus. Or we can hire you a coach at very reasonable rates, just call our Devon Coaching office on (01752) 495400.

If you have any comment about our services, you can write to:

Customer Care Officer,
First Western National Devon Division, The Ride,
Chelston Meadow, Plymouth, Devon PL9 5JT

If you are not satisfied with our reply, there is an independent body which can review complaints about the operation of bus and scheduled coach services:

The Bus Appeals Body, PO Box 320,
Portsmouth PO5 3ZD
